- TCCA Social Drives 2022 - dates & locations - TBA April thru are October are open for Hosting as are additional events!**
- **Since 2018**, social drive locations have been declining and COVID had all but closed the gates for 2020. As restrictions were somewhat lifted, Meadowrock Farm was able to offer TCCA Social Drives through unique trails, and continued to do so through 2021. Thank you Meadowrock Farm and volunteers – participants had an awesome time!
 - **2022** – Any date is perfect to host and participate in a social drive. A great way to have fun, meet like-minded people and have challenges in new locations. Bonus – it is easy to practice 'safe distancing' rules.
 - **Open for Hosting a TCCA Social Drive?** Contact a TCCA Board member to post your date(s) & location(s), and acquire assistance with insurance and administrative issues.

2022 – Appreciating the Diversity of Our Members!
